

Youngsters study in comfortable surroundings where they can be challenged mentally and spiritually.

Enjoying the cold winter fresh air on the Hel Peninsular, most young people really benefitted from the times of reflection the Bible camp afforded.

Siloam's Bible camps really do change young lives!

Youngsters are encouraged to share testimonies and to relate between each other, how their 'walk of faith' is being helped by the Christian fellowship.

Organisations and churches know that – most people who become 'born again Christians' make the commitment to give their lives to Jesus Christ, before the age of 18!

Siloam's children's and the young people's Bible camps are certainly our most popular outreach ministry. Faithful investors who provide funds can have confidence that local churches in Eastern Europe and Portugal can provide an exciting opportunity away from home for children and young people to have space and time to be fully exposed to the Christian gospel message of Jesus Christ. Siloam works through evangelical Bible believing Christians who understand the value of rescuing a young soul from a literal lost eternity!

- The £ values we display are based upon amounts and
- values of the donations we have received in the past

- immortal souls of more young people and children for
- the Kingdom of God.
